Line 18® Sanitet er en komplet serie af sanitetsprodukter, der udmærker sig med en enkel og funktionel designlinje til yderst konkurrencedygtige priser. Hele serien er produceret i rustfrit stål, og produkterne opfylder alle de krav, et moderne byggeri stiller i dag – både kvalitets- og designmæssigt.

Line18® Sanitet is a complete range of sanitary products, featuring a simple and functional design line at extremely competitive prices. The whole series is made of stainless steel and the products meet all demands of modern construction – in terms of quality as well as design,
